Who must file Form D-30?

Generally, an unincorporated business, with gross income over \$12,000, must file a D-30 (whether or not it has net income). This includes any business carrying on or engaging in any trade, business, or commercial activity in DC with income from DC sources.

- To determine if you need to file, please note that gross income includes revenue from all DC sources after deducting the cost of goods sold, but before taking expenses and other deductions allowed when calculating net income.
- The act of carrying on or engaging in a trade or business in DC is determined by the nature and extent of the unincorporated business' activities in DC conducted by: its owners; members; or through employees, consultants, agents or other representatives.

An unincorporated business with gross income in DC of over \$12,000 from any of (but not limited to) the activities listed below, must also file a D-30 return.

- Rental of real or tangible personal property; or
- Leasing of real or tangible personal property; or
- Any other similar arrangement.

If a business is terminated as the result of the sale of its assets, even if there is no tax due, the business is required to file a final D-30.

If the sale of a business' assets results in termination of the business – the owner(s) must report gain/loss on their individual returns. (There may also be depreciation recapture to report on a D-30.)

NOTE: An unincorporated business with gross income of \$12,000 or less does not need to file a D-30 return nor does it need to pay the \$100 minimum franchise tax.

You may have to file other DC returns if you have other business activities with gross income of \$12,000 or less and you operated as:

- A partnership, you must file a Form D-65;
- A DC resident sole proprietor, you must file a Form D-40; or
- A DC resident trust, you must file a Form D-41.

Multiple businesses

If an individual or group of individuals carries on two or more distinct unincorporated businesses in DC (none of which are exempt), they must be reported on one return. Include all income and expenses on that one return. You may provide separate computations to show the net income or loss of each business.

Taxicab/Limo Drivers

Any nonresident taxicab/limo driver who operates a motor vehicle for hire in the District must file a form D-30. The filing of the D-30 is a requirement for operating or continuing to operate a motor vehicle for hire in the District by a nonresident.

Who does not have to file Form D-30?

You do not have to file if –

- Total gross income (Line 10) is \$12,000 or less.
- You are an organization recognized as exempt from DC taxes.
 - Any unrelated business taxable income, as defined in Internal Revenue Code (IRC) §512, is subject to the DC franchise tax and a Form D-20, Corporation Franchise Tax Return, must be filed.
- The trade or business is, by law, custom or ethics, unable to incorporate.
- It is a trade or business licensed by DC to a blind person, for operating a stand in a federal building.

- You are a professional corporation, incorporated under the DC Professional Corporation Act and, therefore, you must file a Form D-20.
- It is a trade, business or professional organization where:
 - 80 percent or more of its gross income comes from personal services actually rendered by owners or members of the business; and
 - Capital is not a material income-producing factor.

The 80 percent requirement is met if the activities of your employees, consultants and agents have or are presumed to have produced gross income for the business in an amount at least equal to the gross amount paid them. The 80 percent test is not satisfied if the amount paid these persons exceeded 20 percent of the business' gross income. If this test is not met, the business is not exempt from DC tax and must file a D-30 return.

NOTE: If an individual or group of individuals is engaged in two or more separate and distinct businesses during the tax year, each business is separate when determining tax-exempt status.

When and where should you file Form D-30?

If you are a calendar year filer, file your return and pay any tax due by April 15th. If you are a fiscal year filer, file your return and pay by the fifteenth day of the fourth month after your tax year closes. If the due date falls on a Saturday, Sunday, or legal holiday, the return is due the next business day.

Return with a payment

Mail the return and payment to: Office of Tax and Revenue, PO Box 7572, Washington DC 20044-7572. Make the check or money order payable to the DC Treasurer. Write your FEIN or SSN, D-30 and the tax year on the payment. Attach your payment to the Form D-2030P, Payment Voucher (included in this booklet) and mail it with your return. Do not attach either to the return.

Refund or no payment return

If you are not including a payment or you are requesting a refund, mail the return to: Office of Tax and Revenue, PO Box 234, Washington, DC 20044-0234.

Adhesive mail labels for these two PO Boxes are on the back flap of the return envelope in this booklet.

Extension of time to file

You may request an extension of time to file your D-30 return by filing DC Form FR-128 (copy included) no later than the return due date. You must pay any tax liability in full with the extension request; otherwise, the request will be denied. Do not use the federal extension form to make this request.

Penalties and interest

The Office of Tax and Revenue (OTR) will charge a 5 percent per-month penalty for failure to file a return or pay any tax due on time. The penalty is calculated on the unpaid tax for each month or part of a month that the return is not filed or the tax is not paid. The maximum penalty is an additional amount equal to 25 percent of the tax due.

Interest of 10 percent per year, compounded daily, is charged on any tax not paid on time. The interest is calculated from the due date of the return to the date the tax is paid. Interest on any underpay-

ment of tax will accrue even if you have an extension of time to file your return.

Underpayment penalties

In addition to penalties for filing late, there are penalties for underpayment of tax due to negligence, substantial understatement of franchise tax liability and a substantial or gross misstatement of the value of property reported on a return.

- Negligence means a failure to make a reasonable attempt to comply with tax provisions or a failure to exercise ordinary and reasonable care in return preparation without intent to defraud.
- A **substantial understatement** of franchise tax liability occurs when the understatement is more than the greater of 10 percent of the tax required to be shown on the return for the tax year or \$4,000. The penalty is an additional amount equal to 20 percent of the portion of tax due to negligence or a substantial understatement.
- There are two types of **valuation misstatements** –
A valuation misstatement is **substantial** if the correct valuation or the adjusted basis of the property differs by 200 percent or more from the amount shown on the return, or is less than or equal to 50 percent of the amount determined to be the correct amount of the valuation or adjusted basis of the property. This penalty is an additional amount equal to 20 percent of the underpayment due to the valuation misstatement.
- A valuation misstatement is **gross** if the correct valuation of the property differs by 400 percent or more from the amount shown on the return or is less than or equal to 25 percent of the amount determined to be the correct amount of the valuation or adjusted basis. This penalty is an additional amount equal to 40 percent of the underpayment due to the valuation misstatement.

Paid tax preparer penalty

OTR imposes a penalty when tax liability is understated. Penalties are assessed if a paid tax preparer:

- prepares a return or refund claim based on an unrealistic position;
- should have known the applicable law or regulation;
- does not adequately disclose relevant facts for the position;
- willfully attempts to understate tax liability; or
- fails to sign a return or refund claim.

Penalties range from \$50 to \$1,000 for each return or refund claim.

Charge for Dishonored Checks

You will be charged \$65 if your payment is not honored by your financial institution.

Fraud penalty

If OTR finds that part of an underpayment of the tax required to be shown on the return is attributable to fraud, it will presume the entire underpayment is due to fraud. You have the burden of proof to show that it is not attributable to fraud. If any part of an underpayment of tax is due to fraud, OTR will add to your tax liability an amount equal to 75 percent of the portion of the underpayment attributable to fraud.

Electronic payment required

If your estimated tax liability is \$10,000 or more you must pay electronically. See our website at www.taxpayerservicecenter.com.

Underpayment of estimated tax

OTR will charge 10 percent per year, compounded daily, on underpayments of estimated franchise tax installment payments. The charge is computed from the payment due date to the date payment is made. It is in addition to the penalty imposed for false statements.

For additional information see DC Form D-2220, Underpayment of

Estimated Franchise Tax by Businesses. This charge will be assessed automatically by OTR's integrated tax system. If you choose to complete a Form D-2220, attach it to your return.

Which other DC forms may you need to file?

Business Credits, Schedule UB

The various credits available to businesses have been consolidated on Schedule UB. The nonrefundable credits from Schedule UB, Line 13 are reported on Line 38 of the D-30. The refundable credits from Schedule UB, Line 15 are reported on Line 40(c). Attach Schedule UB to the D-30.

Ballpark Fee (FR-1500)

If you have \$5 million or more in annual DC Gross Receipts you must file form FR-1500 and pay the Ballpark fee. For details see www.taxpayerservicecenter.com, click on Business Tax Service Center then click on Baseball-Related Fees and Taxes (under Filing Information).

Qualified high technology companies (QHTC)

If you are a QHTC, you may be eligible for a credit for costs to retrain qualified disadvantaged employees. You need to file the supporting forms to be eligible for this credit. For copies of the relevant forms and more details, see Publication FR-399, Qualified High Technology Companies. It is available on our website at www.taxpayerservicecenter.com and at our North Capitol St. location. If your company is a QHTC, fill in the QHTC oval at the top of page 1 of the Form D-30. You must also attach the QHTC-CERT form to the D-30. If you are claiming a QHTC retraining credit, attach completed forms D-30CR and FP-332.

Explanation of terms

Business income

Income from transactions and activities in the regular course of the taxpayer's trade or business is business income. This includes income from tangible and intangible property if the acquisition, management and disposition of the property are part of the taxpayer's regular trade or business operations. Income of any type — manufacturing income, compensation for services, sales income, interest, dividends, rents, royalties, gains, operating and non-operating income from any class or from any source — is business income if it arises from transactions and activities occurring in the regular course of a trade or business. Whether income is business or non-business depends on the underlying transactions and activities which are the elements of a particular trade or business. In general, transactions and activities that depend on or contribute to the operation of your enterprise constitute your trade or business.

Commercial domicile

The principal place from which you direct or manage your trade or business.

Compensation

Wages, salaries, commissions and other forms of remuneration paid or accrued to employees for personal services.

Non-business income

All income except business income.

Transportation company

Any business engaged in transporting persons, goods or property of others for hire.

Sales

All gross receipts, including dividends, interest and royalties, considered to be business income which are not required to be allocated.

Taxable in another state

For purposes of allocating non-business income and apportioning business income to another state, you must be subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business or a corporate stock tax in that state.

General Instructions

Refunds and payments – foreign accounts

Electronic banking rules have changed and OTR will no longer direct a refund to or through a foreign financial institution. Anyone requesting such a transfer will receive a paper check. Anyone who would otherwise make a payment using a foreign financial institution must instead pay by check, money order or credit card.

Special rules on depreciation and §179 property

For federal tax purposes, businesses are allowed to deduct additional bonus depreciation and additional IRC §179 expenses.

For DC tax purposes, you may not claim the 30 or 50 percent federal bonus depreciation or additional expenses allowed under IRC §179.

Similarly, DC does not allow the acceleration of depreciation deductions currently allowed under the 2008 Economic Stimulus Act.

Office of Tax and Revenue rulings

As of December 31, 2002, rulings issued by OTR prior to that date were revoked. Taxpayers cannot rely on these rulings unless resubmitted to the Office of Tax and Revenue for review and, if approved, reissued. Direct any rulings questions to OTR, General Counsel at (202) 442-6500.

QHTCs filing the D-30

If your company is a certified QHTC please fill in the certified QHTC oval on page one of the D-30 and complete Lines 1-36 of the D-30. A QHTC is liable for paying the required \$100 minimum tax. Attach a completed QHTC-Cert form to the D-30.

Amended returns

You must use the Form D-30 for the year you are amending. If the return is for 2001 or later, fill in the Amended Return oval and complete the Tax Year Ending box. Attach a detailed statement of adjustment(s).

Note: Form D-2030X is obsolete for tax years after 2000.

If the IRS adjusts your federal return or if you file an amended federal return, you must file an amended DC return within 90 days. If the federal adjustment makes you eligible for a DC tax refund, you must file an amended DC return within 180 days to claim the refund. You may not use it as a credit carryover to the next year.

Mail the amended return and any attachments to the Office of Tax and Revenue, PO Box 7572, Washington DC 20044-7572.

Final Return

If you have ended business operations, fill in the final return oval on Page 1 of your return.

Estimated tax payments

An unincorporated business must file a declaration of estimated franchise tax if it expects its DC franchise tax liability to exceed \$1000 for the taxable year. See the Form D-30ES, Declaration of Estimated Franchise Tax for Unincorporated Businesses, booklet for details and payment vouchers. You will be automatically assessed a penalty for any underpayment of DC estimated tax.

Refund offset

If you have other DC tax liabilities, OTR may apply all or part of any tax overpayment to offset them.

Franchise tax rate and minimum tax payable

The tax rate is 9.975 percent and is applied to your “total taxable income” on Line 36 of Form D-30. The minimum tax is \$100.

Incomplete forms will delay processing

Complete all items on the Form D-30. Otherwise, OTR will send the return back to you to provide the missing information.

Taxable year

Enter your taxable year ending date on page 1 of the D-30. It may be either a calendar year or a fiscal year. You must receive OTR approval to change your taxable year.

Note: The District has decoupled from the section of the American Recovery and Reinvestment Act of 2009 which allows an exclusion and deferral from gross income of income resulting from a discharge of indebtedness. For DC tax purposes, where a discharge of indebtedness results in income, that income is includible in income.

All entries are dollars only

Do not enter cents. Enter only whole dollar amounts.

Help us identify your forms and attachments

Write your FEIN/SSN, tax period, business name and address on all forms and statements submitted with your return. Your identification number is used for tax administration purposes only.

Signature and verification

An authorized officer of the unincorporated business must sign the return. A receiver, trustee, or assignee must sign any return that he/she is required to file for the business. Any person who prepared the return for compensation must also sign the return and provide the requested identification number. If a firm or corporation prepares a return, it should be signed in the name of the entity. The preparer signature requirement does not apply when a taxpayer’s regular employee prepares the return.

Specific Instructions

Negative amounts

If you enter a negative amount, fill in the oval to the left of the entry blocks. **Do not use a minus sign.**

Allocation and apportionment of income

Any unincorporated business carrying on a trade or business in DC and other jurisdictions must apportion its business income among DC and the other jurisdictions. Apportion the net income from trade or business activities using the appropriate apportionment factor. See Schedule F of the D-30. You must allocate your non-business income.

Non-business income allocation

Non-business income

Allocate items of non-business income to DC. The following gains and losses from sales or other dispositions of property are allocated to DC:

- Real property located in DC (other than realty used in the trade or business whether held for sale or otherwise);

- Tangible personal property (other than any tangible personal property used in the trade or business whether held for sale or otherwise) if:
 - The property had a situs in DC at the time of sale or other disposition; or
 - Your principal place of business is in DC and you are not taxable in the situs state.
- Intangible personal property (other than intangible personal property of any kind used in the trade or business whether held for sale or otherwise) is allocable to DC if your principal place of business is in DC.

Allocate to DC net rents and royalties from DC located real property.

Allocate to DC interest and dividends from sources in DC unless specifically excluded from taxation or subject to apportionment as business income.

Allocate to DC income from rents and royalties, patents, copyrights, trademarks, service marks, secret processes and formulas, franchises and similar property (if not used in the trade or business). These royalties are allocated according to the patent's location or place of use, or where the copyrighted material is published or used. If DC is the principal place of business of a business entity, not subject to tax anywhere else, then the rent or royalty income is allocable to DC.

Income from the sale of tangible personal property to the United States Government by a business that has its principal place of business outside DC is income from DC sources if the property is delivered from outside DC for use in DC.

All other non-business income from DC sources is allocable to DC.

Where income is allocable among DC and other jurisdictions, you must allocate all expenses, losses and other deductions incurred in the production of the income in the same way. Losses incurred in the production of non-business income are allowable if any profit from the transaction would have been taxable.

Gross Income

Note: When OTR requests that a statement be attached, the statement should show the source of the items making up the entries.

Payments to related parties (lines 14 and 17). Recent DC legislation allows the deduction of certain interest and intangible expenses, including royalty expenses paid directly or indirectly to related parties if:

- the principal purpose of the payment was not the avoidance of tax;
- the payments were made at arm's length; and
- the related party paid income tax equal to or greater than 4.5 percent of the amount of interest or intangible expense in another jurisdiction.

D-30, page 1, line-by-line

Line 1 Gross receipts, minus returns and allowances

Enter the total gross receipts from sales and operations, minus returns and allowances.

Line 2 Cost of goods sold and/or operations

Enter the figure from D-30, Schedule A, Line 8. If the production, manufacture, purchase, or sale of merchandise is an income-determining factor in the trade or business, you must inventory merchandise at the start and end of the tax year. You may value it at your cost or at the

lower of cost or market, or by another IRS-approved method. You must continue to use the method chosen until you get permission from the Office of Tax and Revenue to change. If the inventories do not agree with the balance sheet figures, attach an explanation.

Cost of Operations (where inventories are not an income-determining factor). If the amount entered on Line 2, page 1, includes an amount applicable to the cost of operations, attach a statement showing in detail: (1) salaries and wages; and (2) other costs.

Line 3 Gross profit

Line 1 minus Line 2. Enter the result on Line 3.

Line 4 Dividends

Enter the total of all taxable dividends. You may deduct Subpart F income (as defined in IRC §952). Attach a detailed statement showing the calculation of the taxable amount.

Line 5 Interest

Enter interest the business received or is credited with during the tax year, including that paid on obligations of a State, Territory of the United States, or any of their political subdivisions, except those of DC.

Exclude interest income on obligations or securities issued by the United States or its instrumentalities which is included in federal gross income.

Expenses incurred in the purchase or production of income from U.S. Treasury securities are included on Line 26(b). (Attach a detailed statement.)

Line 6 Gross rental income

Enter the amount received from the rental of real or personal property. Do not enter on Line 26(a) rental income related to a trade or business.

Note: DC does not allow the additional federal bonus depreciation. If you claimed this additional depreciation on your federal return, you must recompute depreciation for DC tax purposes without claiming the bonus depreciation. Attach a computation showing that your DC claimed depreciation does not include the 30 or 50 percent federal bonus depreciation and that the basis of the property, for DC tax purposes, has not been reduced by any bonus depreciation amount claimed on your federal return. DC also does not allow the additional IRC §179 expenses. If you claimed these additional expenses on your federal return, reduce such expenses claimed on your D-30 by that amount.

Line 7 Gross royalties

Report royalty income in the same manner and detail as rental income. Royalties from patents you developed, from the licensing of processes or a trade name and sales of know-how are business income. Enter royalty income from line 4 of federal Form 1040, Schedule E, Supplemental Income and Loss. Please attach Schedule E.

Line 8(a) Net capital gain

Capital gains or losses are treated in the same manner as they are for federal corporation income tax purposes. (See detailed instructions on Federal Schedule D, Form 1120, Corporation Income Tax Return.) Report IRC §1231, Property Used in the Trade or Business and Involuntary Conversions, gains as business income on Line 8(a).

Note: Since the 30 and 50 percent federal bonus depreciation are not allowed for DC tax purposes, recalculate the capital gain/loss reported on your federal return without taking into account the federal bonus depreciation amount. Attach a statement showing the adjustments.

Line 8(b) Ordinary gain (loss) from Part II, Federal Form 4797
Enter the total ordinary gain (or loss) from your federal Form 4797, Sales of Business Property. Attach a copy of your Form 4797.

Line 9 Other Income

Enter the total income not reported elsewhere on the return; attach a detailed statement. Do not enter on Line 26(a) other income related to a trade or business. Enter it on line 9.

Deductions

Deductions are allowed if they are ordinary and necessary and directly related to business income as explained in these instructions. Do not take deductions on this return for interest, taxes, contributions and other itemized deductions normally deductible on individual income tax returns filed by the owners or members of the business.

Line 11 Salaries and wages

Enter all salaries and wages not deducted elsewhere on the return.

- Do not include compensation of the owners/members of the unincorporated business.
- Do not include wages incurred in computing the Economic Development Zone Incentives credit.

Line 12 Repairs

Enter the cost of incidental repairs, including labor, supplies and other items that do not add to the value or appreciably prolong the property's life. Line 13 Bad debts

Report bad debts in the same manner as you report them for federal tax purposes. Attach a copy of the information you submitted with your federal return.

Line 14 Royalty payments

Royalty payments to related entities are not an allowable deduction. Exceptions to the disallowance of such payments may be found in DC Code §47.1803.03(d)(8)(B). Line 15 Rent

Enter the amount of rent paid or accrued for business property in which the unincorporated business has no equity.

Line 16 Taxes

Enter taxes imposed on taxpayers as reported in Schedule C, page 3, Form D-30. Do not deduct these taxes:

- DC franchise tax; or
- Taxes assessed against the property for local benefits of a kind tending to increase the value of the property assessed.

Line 17 Interest expense

Enter interest paid or accrued on business debt (Form D-30 Schedule E, page 3). Interest payments to related entities are not an allowable deduction. Exceptions to the disallowance of such payments may be found in DC Code §47-1803.03(d)(8)(B). If any interest income is not subject to the DC unincorporated business franchise tax, then the related expense is not deductible. If you are the recipient of related entity's interest or other intangibles payments and you are filing a return and paying tax on these payments in the District, see the instructions for Schedule G to determine whether you can deduct any of the payment amount from your income.

Line 18 Contributions and/or gifts

Enter from Schedule B, page 3, Form D-30, contributions and/or gifts made to qualified organizations in the tax year. This deduction may

not exceed 15 percent of the net income, (Line 23), of the business before the contributions and gifts are deducted. Attach a separate statement with detailed information about the contributions and gifts. Contribution and gift carry-overs are not allowed.

Line 19 Amortization

You must recapture depreciation on your D-30 from the sale of an asset that caused the unincorporated business to terminate. Any gain in excess of the recaptured amount is reported on the individual income tax returns of the owners or members.

***Note:** If you claimed the federal bonus depreciation amount or additional IRC §179 expenses on your federal return, do not claim these amounts on your D-30. Recompute the depreciation taken for DC tax purposes without the federal bonus depreciation. Attach a statement showing the recomputation.

Line 21 Other allowable deductions

Enter the amount from Schedule G, page 4, Form D-30.

Line 22 Total deductions

Add lines 11–21 and enter on Line 22.

Line 25 Net income after NOL deduction

Line 23 minus Line 24. Enter this amount on Line 31 if the income is entirely business income from a DC trade or business and, therefore, not subject to apportionment. Fill in the oval if the amount entered is a minus.

Line 26(a), (b) and (c)

Report on Lines 26(a) and 26(b) non-business income and related expenses. Include expenses connected with the production of income from U.S. Treasury securities on line 26(b). See Schedule J, column 4, page 5, Form D-30. You may deduct a reasonable amount for salaries or other compensation for personal services actually rendered by the owner(s) or member(s) of the business in the active conduct of the business.

- The reasonable amount of compensation for owner(s) and members(s) is reduced by any fees paid to an independent management or collection entity for management services performed for the business.
- Do not claim an amount accrued to an owner(s) or member(s) as a drawing account unless it is for services actually rendered.
- The aggregate deduction allowed for salaries or other compensation may not exceed 30 percent of the Line 31 amount.

Line 33 Exemption

An exemption of up to \$5000 is allowed.

- Enter in the boxes on Line 33(a), the number of days this return covers. If it is a full year enter 365 days and enter \$5000 on Line 33.
- Prorate the exemption if the return is for less than a full year because either the business started after the beginning of the tax year or it ceased before the end of the year. Prorate the exemption by dividing the number of days entered on line 33(a) by 365 to arrive at a percent. Multiply \$5000 by that percent. Include a statement showing your calculation of the exemption amount. Also enter for each member a portion of this amount in Schedule J, column 5, page 5, Form D-30.

Line 34 Total taxable income before apportioned NOL deduction

Enter the result of subtracting the line 35 amount from the line 34 amount.

Line 37 Tax

Calculate the tax by multiplying any positive amount on Line 36 by .09975. Enter the result on Line 37. \$100 is the minimum tax that may be shown on this line.

Minimum Tax – If your business has total gross income of more than \$12,000 (Line 10) and Line 36 shows taxable income of less than \$1003, your minimum tax is \$100. Enter this amount on Line 37.

Form D-30 schedules

Schedule F – DC Apportionment Factor

An unincorporated business engaging in a trade or business both in and outside DC must use property, payroll and sales as the three factor formula to apportion its business income.

Unincorporated businesses domiciled in DC and not subject to tax elsewhere must report 100 percent of their net business income and allocate 100 percent of their non-business income to DC.

Unincorporated businesses carrying on a trade or business in DC and in other jurisdictions must apportion trade or business income to DC. Multiply the total income by a fraction. The numerator is the property factor plus the payroll factor plus the sales factor. The denominator is three, reduced by the number of factors without a denominator.

• **Property Factor**

The property factor is a fraction; the numerator is the average value of real and tangible personal property you owned or rented and used in DC during the tax year to produce business income. The denominator is the average value of all real and tangible personal property you owned or rented and used everywhere during the tax year to produce business income. Do not include in the numerator or the denominator, any property or portion of property, not used to produce business income.

Transportation companies – the numerator also includes the portion of the average value of its vehicles, rolling stock, aircraft, watercraft and other equipment used during the taxable period to transport persons and property both in and outside DC. This portion is determined by comparing the total miles per unit of its equipment traveled in DC compared to the total mileage traveled everywhere by each class of its property.

Railroad companies – the classes of property included are those you report for DC personal property tax purposes (DC Code §47-1512).

Where property is used in any activity, the income from which is allocable or apportionable, you may use (or OTR may require) any method that properly reflects the portion of the average value used to arrive at the property factor. This is subject to OTR approval.

Property you own is valued at its original cost to you plus the cost of any additions and improvements. If you cannot determine your original cost or if the cost is zero, value the property at its market value when you acquired it.

Property rented to you is valued at eight times the net annual rental. (The annual rental you paid is decreased by any annual

rental you receive from sub-rentals, provided the rental and sub-rental rates are reasonable.) Include in the annual rental, amounts paid or accrued for the use or rental of property or facilities of another. This net annual rate includes amounts whether paid as rent, as reasonable compensation for use or under any other designation, pursuant to statutory enactment, lease, or rental agreement of any kind, contract, or otherwise. You may only include in this factor payments for leased property capitalized for federal tax purposes to the extent of their capitalized value for federal tax purposes. If OTR determines that any net annual rental rate or sub-rental rate is unreasonable, or if a nominal or zero rate is charged, OTR may determine and apply a rental rate that reasonably reflects the property's rental value.

To determine the property's average value, average the values at the start and end of the tax period. You may, if necessary, use monthly or quarterly values (subject to OTR approval) during the tax period, to properly reflect the average value of the property.

• **Payroll Factor**

The payroll factor is a fraction; the numerator is the total compensation you paid to or accrued for persons performing services for you in DC during the tax year. The denominator is the total compensation you paid or accrued everywhere during the tax year. Do not include in the numerator or denominator, compensation paid or accrued to employees for personal services in the production of non-business income. Compensation other than in cash, is valued at its fair market value on the date of payment or accrual. Do not include payments to independent contractors in this factor.

Transportation companies. The numerator also includes that portion of the total compensation paid or accrued to employees employed on vehicles, rolling stock, aircraft, watercraft and other equipment you used during the taxable period to transport persons and property between DC and other jurisdictions. To determine this factor, apply the percentage computed (as in the property factor) to the total compensation.

If you pay or accrue compensation for services, which generate income that can be allocated or apportioned, you may use any method that will properly reflect the average value used to calculate the payroll factor. The method used is subject to OTR approval.

Compensation is paid or accrued in DC if:

- the individual's services are performed entirely in DC; or
- the individual's services are performed in DC and other jurisdictions, but the services performed outside DC are incidental to the individual's services performed in DC; or
- some of the individual's services are performed in DC and:
 - (1) the base of operations or, if there is no base of operations, the place from which services are directed or controlled is in DC; or
 - (2) the base of operations or place from which services are directed or controlled is not in DC, or in any state where some part of the services are performed, but the individual's residence is in DC.

• **Sales Factor**

The sales factor, except for transportation companies, is a fraction; the numerator is the taxpayer's total sales in DC during the tax year. The denominator is the taxpayer's total sales everywhere during the tax year.

Transportation companies – the sales factor is a fraction; the

numerator is the total revenue units the company first received as originating or connecting traffic at a point in DC. Add to this the total revenue units the company discharged or unloaded at a point in DC, at the termination of the transportation movement or for transfer to a connecting carrier. The denominator is twice the total revenue units originated everywhere during the tax year. One ton of freight equals one revenue unit; ten passengers equal one revenue unit. If the company's revenue is predominantly from transportation of passengers, you may use the number of passengers loaded and discharged, in place of originating and terminating tonnage.

Tangible personal property sales, including sales to the United States Government, are considered to occur in DC, no matter where title is transferred, F.O.B. point, or other sales conditions, if the property:

- Is delivered or shipped to a purchaser in DC; or
- Has an ultimate destination in DC, after all transportation (including any by the purchaser) is completed; or
- Is delivered or shipped from an office, store, warehouse, factory, or other storage place in DC to a destination outside DC — and is not taxable in the state to which the property is shipped or delivered.

Except for transportation companies – non-tangible personal property sales are considered as occurring in DC if the income-producing activity or service is performed:

- In DC; or
- The proportion of the income-producing activity or service performed in DC is greater than that performed in any other jurisdiction, based on performance cost.

Schedule G – Other Allowable Deductions

If you are the recipient of royalty, interest or other intangible payments from a related entity that has not deducted the payment amounts on their return and you are filing a return and paying tax on these payments in the District, enter, on schedule G, the amount of income you are reporting on this return to the extent it was included: on lines 14(b) and 17(b) of the related entity's District of Columbia D-30 tax return; on lines 17(b) and 22(b) of the related entity's District of Columbia D-20 tax return; or on a related entity's return filed in another state where a similar adjustment was made.

Schedule H – Income not reported (claimed as nontaxable) –(page 4 of Form D-30)

List all income of the unincorporated business that you consider not subject to the DC unincorporated business franchise tax. State why the income should be considered nontaxable.

Schedule I – Balance sheets (page 4 of Form D-30)

Submit balance sheets for the start and end of the tax year. Conform them to the unincorporated business' books and records and your federal return. Attach to your D-30, an explanation of any variation.

Schedule J Distribution and Reconciliation of Net Income (or Loss) (Page 5 of Form D-30)

Under provisions of DC Code §47-1805.01(a), you must enter the SSN of each of the owners. The SSN is necessary for the proper identification of an owner's tax account with DC and will be used only for tax administration purposes. Any additional names, SSNs, etc. may be listed on an attachment filed with the return.

Schedule UB, Business Credits

Use this schedule to claim: the Economic Development Zone Incentives Credit (see page 12); QHTC credits (see page 6); and the Organ and Bone Marrow donor credit (see below).

The Organ and Bone Marrow Donor Act of 2006 provides a credit to an employer who allows up to 30 days paid leave to an employee who donates an organ and up to 7 days paid leave for donating bone marrow.

This is a non-refundable credit equal to 25% of the regular salary paid to the donor-employee during the leave period. This credit may not be used to reduce the \$100 minimum tax. An employer claiming this credit may not also deduct the salary paid the donor-employee for the same leave period.

This credit is not available if the employee is eligible for leave under the Family and Medical Leave Act of 1993.

Supplemental information (page 5 of Form D-30)
Please provide all the information requested in this schedule.

General

If using the income allocation and apportionment rules results in a tax that does not fairly represent the tax liability arising from your trade or business in DC or from non-business sources in DC, you may petition for, or OTR may require, if reasonable:

- a separate accounting, unless the entity is conducting a unitary business;

- exclusion of one or more of the factors;
- inclusion of one or more additional factors that fairly reflect the extent of your trade or business in DC; or
- use of any other method to effect a fair allocation and apportionment of your income.

New Markets Tax Credit

DC taxable income does not include the gross income of a qualified community development entity as defined in IRC section 45D(c)(1) that has received an allocation or suballocation of new markets tax credits from the federal government under IRC section 45D(f). This exclusion applies to the extent the gross income is derived from one or more qualified low-income community investments as defined in IRC section 45D(d)(1). Complete Schedule G and enter on line 21, Other allowable deductions.

Special Fee

OTR charges a one-time fee to cover internal collection efforts. The fee assessed is 15% of the tax balance due. Payments received by OTR on accounts subject to the fee are first applied to the fee, then to penalty, interest and tax owed.

Economic Development Zone Incentives Credit

Supporting Documentation Required If you are claiming an Economic Development Zone Incentives (EDZI) credit against your DC franchise tax liability, you MUST attach to your return:

1. a copy of the DC Council resolution approving the qualification for any credits claimed;
2. a certification of eligible employees issued by the DC Department of Employment Services; and
3. a completed EDZI Credit Worksheet.

The EDZI Amendment Act allows a qualified business, under certain circumstances, to take various credits against its franchise tax liability. (The maximum annual credit is \$7500.) A qualified business is one that is approved as being qualified under Section 5 of EDZI by the DC Office of Economic Development. You MUST complete the worksheet below and include the necessary attachments with your return. The following credits are available under EDZI to qualified businesses:

1. a credit against the franchise tax in an amount equal to 50 percent of the wages of all certified employees who meet the requirements of Section 10(b) of EDZI;
2. a credit against the franchise tax in an amount equal to 50 percent of the insurance premiums attributable to all employees for whom it obtains employer liability insurance under the District of Columbia Workers Compensation Act of 1979; and
3. a rent credit for lessors against the franchise tax. The credit allowed is the difference between the rental market value of the space leased to a licensed non-profit child care center and the actual rent stated in the lease agreement as indicated in the DC Council resolution approving the qualification of the business. A non-profit child care center is a child development center as defined in Section 10 of EDZI.

A credit carry forward for five years is available for any EDZI credit not used in a previous year. The maximum amount that may be claimed in any year is \$7500, including any carry forward.
